

CHATSWOOD 216

Flowing over a single level, the Chatswood is a spacious, four-bedroom family home that has been designed around two bright courtyards. Entertainers will love the open plan kitchen and dining area, which is located in the centre of the home. Chatswood's four generous bedrooms are positioned off a separate hallway, which provides a clear separation between the social living areas, and quiet sleeping zone. To help everyone move easily around the home, this sleeping zone can also be accessed from two different directions.
